Refer to the College of Liberal Arts College Specific Academic Regulations or Practices, including the B.A. Required Curriculum and College Specific and College-wide Degree Requirements in the Undergraduate Catalog for information on courses required for the

B.A. General Education/Core Curriculum. (Honors College students: Honors 101 and 102 ordinarily will satisfy the six-hour English composition requirement. Alternatively, a student may apply the credits toward humanities or social science hours, especially if the student has AP English or other college composition credit. If used as humanities and social science credit, Honors 101 and 102 function differently in the various colleges and schools: In the College of Liberal Arts, for the B.A. HON 101 and HON 102 count for 3 hours of humanities and 3 hours of social science.)

Music electives, as approved by an adviser (at least 8 hours in upper-division courses) (9 hours). Care must be exercised in choosing elective courses to meet the upper-level course requirements for the degree. **Upper Division Hours:** 42 hours at the 300- level or above are required for a B.A. degree.

GPA: An overall grade-point average of C (2.00) or higher is required in all work applied toward the major. Students must earn at least 12 hours of their major courses in residence, and must achieve a 2.00 GPA or higher in all major courses taken in residence. A student may not count a cross-listed course toward both major and minor requirements. Double majors may not count a cross-listed course toward both majors. **A grade of C or higher (a C- does not satisfy this requirement) is required on all music courses applied toward the degree.** An overall GPA of 2.00 or higher is required in all work applied toward the minor. Some departments require a minimum grade of C in each course applied toward the minor. Students must earn at least 6 hours of their minor courses in residence and must achieve a 2.00 average or higher in all minor courses taken in residence. A cross-listed course may not be counted toward both major and minor requirements.
