- 1 – Natural science, chosen from biology, chemistry, geology, astronomy, physics, physical science or Liba 150, 151, 205, 205L (courses must include laboratories)
- 2 – Selected from any mathematics course at the 100 level or above except for MATH 245 and MATH 246
- 3 – Choose from 237; 238; 337 or 338
- 4 – 6 hours of upper division courses

***Upper Division Hours: At least 42 hours at the 300- level or above are required.**

(Honors College students: Honors 101 and 102 ordinarily will satisfy the six-hour English composition requirement. Alternatively, a student may apply the credits toward humanities or social science hours, especially if the student has AP English or other college composition credit. If used as humanities and social science credit, Honors 101 and 102 function differently in the various colleges and schools: In the College of Liberal Arts, for the B.A. HON 101 and HON 102 count for 3 hours of humanities and 3 hours of social science.)

GPA: An overall grade point average of C (2.00) or higher is required in all work applied toward the major. Students must earn at least 12 hours of their major courses in residence, and must achieve a 2.00 GPA or higher in all major courses taken in residence. A student may not count a cross-listed course toward both major and minor requirements. Double majors may not count a cross-listed course toward both majors. **A grade of C or higher (a C- does not satisfy this requirement) is required on all music courses applied toward the degree.**
